

## Panoramaic AI Action Camera Auto-Focus Engine

### Features

- Up to 16 Megapixel Ultra HD
- 180° large viewing angle to cover the entire shoot
- Auto-dribbling, senseless follow-through live without missing a shot
- Push in and out of the frame to lock in the details
- Simultaneous audio and video simultaneous transmission, as if you were in the stadium
- Provide live streaming, recording, scores and match commentary services
- Support relay Tiktok, Fast Hand, Bilibili Station, Video number
- Wired, WIFI, 4G(optional) wireless communication for simple deployment
- Rechargeable lithium battery powered, portable and easy to use
- Support data local storage and cloud storage
- High-quality broadcasting experience at low cost

### Dimensions

SPECIFICATION	
Sensor Type	1/1.8" 4K Progressive Scan CMOS
Body memory	4GB+64GB、4GB+256GB
Minimum Illumination	0.001Lux @(F1.2,AGC ON), 0 Lux with IR
Lens Focal Length	2.8mm fixed focus
Number of Lenses	2
Field of view	Horizontal field of view: 180°, Vertical field of view: 59°
Maximum Resolution	16 million
Panorama	Dual 4K splicing 180° panoramic high-definition picture
Live Picture	1080P High-definition picture
Intelligent Algorithms	Humanoid Detection Tracking, Basketball Detection Tracking
Shooting Techniques	Dribbling mirror follow up shooting, push close and pull far shooting
Network Communication	Ethernet, 4G full network communication(optional), WIFI, Bluetooth
Network Interface	RJ45 100/1000M adaptive Ethernet port
Charging Interface	USB Type-C
Reset Button	Support long press reset function
Sim Card Slot	Supports nano sim (4G model support)
On/Off Button	Power on/off button with running indicator light
Power Indicator	(ring type three-color light: green, white, red)
Audio Interface	4 green indicator lights
Power supply	Built-in MIC
Power Consumption	Rechargeable lithium battery power (10H), 11.1V 8000mAh, 88.8Wh ≤15W
Operating Environment	-10~+50°C/less than ≤ 95% RH
Storage Environment	0~+60°C/less than ≤ 95% RH
Protection Class	IP54
Housing Material	PC+Hardware Material
Dimension(mm)	198(L)*210(W)*66(H)
Weight	Approx. 1.35kg

### Product interfaces

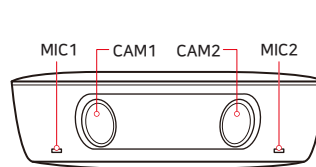

Figure 1.1 Front

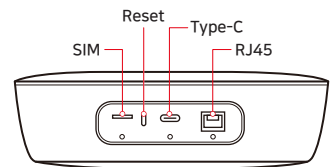

Figure 1.2 Back Shell

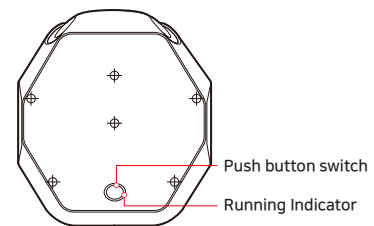

Figure 1.3 Bottom

Region	Name	Definition
Front	MIC1 & MIC2	Microphone, 2-Way
	CAM1 & CAM2	Camera, 2-way
Back Shell	Nano-SIM	Sim card slot
	Reset	Hardware reset
	Type-C	Charging port, support fast charging
	RJ45	Wired network port
Bottom	Push button switch	Long press to turn on and off, long press for 5 seconds; short press to check the power level
	Running Indicator	Device operation status indicator ring light; device startup: green flashing; device has been started: green always on
	Battery indicator light	4 green lights, device power indicator, each one represents 25% battery power
	Mounting screw holes	1/4" screw holes, suitable for 1/4" screw mounting bracket fixed
